Harshitha Yeduvaka

yeduvakaharshitha@gmail.com | +33 745577349 | Paris, France | LinkedIn | Portfolio

B2B implementation professional with **2+ years** managing onboarding for 65+ enterprise accounts. Cut client churn by 15% and reduced onboarding cycles by 30% through CRM optimisation and structured account management. Currently MSc International Marketing & Business Development Student at SKEMA Paris; available for an internship in Marketing.

EDUCATION

Master of Science International Marketing and Business Development 2024 – 2027 | Paris, France
SKEMA Business School
Relevant Coursework: Brand Strategy, Design-Led Marketing, GTM Strategy, Market Research, ROI Analysis

PROFESSIONAL EXPERIENCE

Founder & Developer, *ohmyATS* Mar 2026 – Present
- Building a **solo full-stack tool** that helps graduates optimise CVs to pass ATS screening and reach interviews.
- Trained the scoring engine on **100+ real profiles** (strong and weak) to improve match accuracy.
- Supports **3 languages** (English, French, German); expanding to Dutch, Spanish, and Italian.
- Developed the **frontend UI**, handling **bug fixes** and iterating on **result quality** continuously.

Marketing Intern, *NOMAD X COLLECTIVE* Aug 2025 – Jan 2026 | Berlin, Germany
- Designed & ran **A/B tests** on email sequences to **improve open rates by 15%**, identifying which messaging drove the most **replies and sign-ups.**
- Grew **follower base by 12%** & **improved engagement by 17%** through **integrated growth marketing initiatives** across platforms.
- Scaled **paid social advertising** (**Meta Ads**) and analyzed **campaign performance** to improve **marketing attribution** and overall **campaign ROI.**

Implementation Consultant, *Keka HR Technologies* Jan 2023 – Jul 2024 | Hyderabad, India
- Managed end-to-end **B2B client onboarding** for **65+ enterprise accounts**, including **Zivame and Future Group**, conducting **platform training sessions** to ensure clients could independently configure and manage their workflows.
- Reduced **client churn by 15%** in a single quarter across **25+ SME accounts** by implementing a reliable **pipeline management**, **lead scoring refinements**, and **Customer Lifetime Value (CLV)** optimization strategies.

PROJECTS

Omnichannel Marketing Analyst - Dior, *SKEMA* Sep 2024 – Dec 2024
- Recommended a **digital optimisation roadmap** projected to lift **B2C engagement 15%** and presented to faculty panel.
- Identified **3 critical gaps in CRM segmentation** by auditing Dior's retail, e-commerce, and mobile ecosystems to improve cross-platform personalization.

Strategy Consultant - COOP ATLANTIQUE Business Simulation, *SKEMA* Sep 2024 – Dec 2024
- Architected **strategic evaluations** leveraging **Porter's Five Forces** to assess **competitive advantage** in a hypothetical business simulation.
- Defined actionable **SEO/SEM keyword strategies** that accelerated cross-functional **decision-making efficiency by 10%**.

Strategic Branding & The MAYA Principle in Eco-Packaging, *SKEMA* Jan 2025 – Apr 2025
- Deployed a comprehensive **brand strategy** and comparative analysis for **sustainable packaging**, utilizing the **MAYA principle** to optimize **Go-to-Market (GTM) execution** and **market accessibility**.
